Calf Club & Pet Day – Friday 19th October 2018

Once again the emphasis is on both the children and their pets. We want to get as many children as possible to school on Calf Club and Pet Day with an animal.

In the following weeks we will provide you with information on how to obtain lambs and goats.

Due to the recent concerning spread of Mycoplasma Bovis there will be NO calves at Pet Day in 2018.

We will let you know information on what is needed to look after lambs and goats in respect to what the Judges will be looking for on Calf Club and Pet Day.

Take a look at the school website www.oropi.school.nz or www.calfclub.co.nz for some basic information. The pet diary is also on the website, so once you have your pet please take photos and make notes in your diary about what you are feeding your pet and how you are caring for it.

On the Day, there will also be Best Dressed Pet, Chickens – Both Competition grade and an open grade (any age).

The hanging basket category is back as well as the scarecrow making competition, which we are sure will be very popular. Keep an eye on the newsletter for more helpful information.

A new category this year is the Hobbit House. More information will be available on when and how to make your hobbit house shortly.

All classrooms will have their indoor exhibits on display in Korimako.

Important Information

If you won a cup or trophy last year, please bring it back to School. Please do not clean your cup or trophy. We will do this at School.

Age group information:
