Stationery packs will be available through the school office. Payment can be made by cash, cheque, Kindo, or internet banking. If you are paying by internet banking or Kindo, please ensure your payment has cleared before you collect your pack. Stationery packs will only be given out once payment has been received. The School bank account details are:

Oropi School BOT
ASB Tauranga 12-3440-0087772-00
Reference: Surname & STAT2019

Packs are sold as is, and items cannot be removed from the pack. If you do not wish to purchase the full pack of stationery, you are welcome to request an itemised list from the office and purchase your stationery elsewhere.

School Donation

From 2019, we are allocating funds generated from Donations received to specific projects. In 2019 we will put this money toward the School Gully Project and Garden-to-Table Programme. Our aim is for this fund to reach \$15 000 - \$20 000. For the past three years, this income has averaged \$11 500. If 85% of families made the donation, this fund would be in excess of \$20 000...more funds for these amazing features of Oropi School! Even though we have set the donation amount, any amount of donations received is greatly appreciated, if you cannot afford the full amount. Remember, you can claim 33% of this back through the IRD at the end of March each year. As a high decile school, we receive less operational funding per pupil than a school with a lower decile. This is why we request a donation. However, we do understand that not all families can pay a donation and this is absolutely fine. If paying by internet banking, please use Surname and **DON2019** as reference.

If paid in Term One	
1 child	\$85.00 per year
2 children	\$150 per year
3 or more children	\$195 per year

Fees

The Event and Bus fee covers all transportation and event costs for additional programmes that we offer. This saves families bringing change to the office each time there is a trip or event.

Swimming Lessons

The junior team will have 5 lessons in the School pool in term 4. \$20 per child.
The middle and senior teams will have 5 lessons in the School pool in term 1. \$20 per child.
Year 7 & 8 students will have 4 1-hour lessons plus a 1-hour water safety lesson at the Toi-ohomai pool. The cost of the Year 7 & 8 sessions will be \$40 per child. This also covers the cost of the bus trips to and from the Toi-ohomai pool.
All lessons are taught by trained swim instructors.

If you wish to opt out of these swimming lessons please contact the office on 543 1479 or office@oropi.school.nz before 31 January 2019.
