

KŌKAKO NEWS

ŌROPI SCHOOL NEWSLETTER 2023 TERM 2 WEEK 10

Kia ora Whanau

Our school has been abuzz with preparations to ensure that this year's Matariki festivities are filled with joy, unity, and a deep appreciation for Maori culture. One of the highlights of our celebrations will be the Matariki breakfast and hui.

To make our Matariki celebrations truly memorable, whanau and tamariki from Te Kōkako o Ōtanewainuku have been working hard to prepare a traditional hāngī for the class.

We would also like to take a moment to recognise the incredible efforts of our tamariki (children) in their preparations for our Matariki celebrations. They have poured their hearts and souls into perfecting their singing and Kapa Haka performances. Their performances promise to be thrilling, showcasing talent and culture.

Our Matariki celebrations go beyond just a festive gathering. They are an opportunity for us to delve into the significance of Matariki and its cultural importance. To enrich our understanding, we have organised various activities and workshops, all designed to deepen our appreciation for Maori customs and traditions. Whanau are welcome to join us back at School after the hui for these workshops.

We extend our gratitude to the staff, parents, caregivers, and community members who have supported us in organising these festivities. Your dedication and active involvement have been instrumental in creating an inclusive and vibrant Matariki celebration for our school community.

Thank you for your continued support, see you early on Friday morning.

Lost Property

It is amazing how quickly the lost property box fills up with unnamed clothes and shoes. Please check the lost property boxes before Friday. All unclaimed items of clothing will be donated to charity in the holidays.

Book Fair

Ōropi School is hosting its very own Book Fair. The Scholastic Book Fair is coming soon, and it will be a Cool Place to Discover Hot Books!

Support Staff Week

On Tuesday, we celebrated our fantastic team of support staff. Everyone was presented with special cards created by Tui kids and all staff enjoyed a very delicious morning tea on Tuesday.

A great day out today for our two Ōropi representatives at the BOP Cross Country. Olive placed 9th in the Eight Year old girls race and Heath also placed 9th in the Ten Year old boys race! Very proud of these two! It was a challenging run, lots of hills and mud, making it tricky terrain to negotiate!

WHAT'S HAPPENING IN TE KŌKAKO O ŌTANĒWAINUKU?

We are very excited for Matariki in Te Kōkako! The tamariki have jumped right into their week long preparation for our school hāngī! On Monday, our year 7&8's went down to Pak n Save to buy the remaining food items. Later in the week, we all will be working hard with whānau volunteers to prepare the kai so it may be lowered into the hāngī pit.

We have all been working very hard all term with Whaea Teowai and Mr Mac to continue our Kapa Haka journey and create a performance that we can proudly share with our school community. We have been learning new Waiata and perfecting our voices so we may deliver an AMAZING Performance in our Celebration Hui. We cannot wait to show you.

Through our discovery learning, we have been exploring bone & wood carving with Matua Nass. We are learning and practicing skills such as sanding, drilling and using tools such as Hammer & Chisel.

We hope to see you all at the Matariki Celebration Hui!

Garden to Table

Edie from Pīwakawaka Carter grew a massive pumpkin this year and kindly donated it to garden-to-table, so last week both Pīwakawaka classes and Kea used the pumpkin to make gnocchi with a tomato and herb sauce and an upside-down mandarin cake.

This week we had more gifted produce to work with: A box of lemons. We used the lemons to make mini muffins with a centre of tangy lemon curd. It's really easy to make, but make sure you don't let it boil, so you don't end up with scrambled eggs in it. Homemade curd contains less sugar than the store bought one, and has a stronger lemon flavor. For our main dish we cooked roasted vegetables with a herb and sour cream sauce.

Pīwakawaka had a busy morning of gardening last Wednesday; planting red cabbage, spinach, broccoflower, poppies, marigold and cauliflower. The weather was iffy last Friday so Kea investigated seeds in the classroom. We soaked a broad bean in water and cut it open to see what the inside of a seed looks like and learned that seeds have a 'coat' for protection and a 'lunchbox' of food to help them grow until they develop roots. We looked at three seeds; marigold, calendula and pea and noted the differences in how they look, how they feel and how they behave when they drop. We learned about the different, clever techniques that seeds use to get away from their 'mother' plant and how the features of the seed help them to do it.

Garden to Table

This week our Tui classes had their first fine Garden to Table day of the whole term so we made the most of it. The weather this year has been very strange and as a result we somehow had a harvest of chilli peppers, kumara and potatoes, none of which have any business being in the garden in winter, yet there they were!

A big thank you to Elly, Rio, Leon, Willow, Isabelle, Liam, Hudson, Cora and Jack from Pūkeko who took part in an extra session last Tuesday to show our visitors from Daegu in Korea some of the cool things that we do at Ōropi School. They rustled up Herbed Flatbread Pizza with Winter Pesto, showing off their awesome kneading skills. Our visitors were very impressed that Ōropi kids can make pizza from scratch and loved that we can work and learn outside in our productive garden.

Ōropi Emeralds

It was a wild and wet day but the Oropi Emeralds turned up in good spirits to take on any team that was keen to play. A huge thanks to Golden Sands Papamoa for making the effort to be there also to play against (We were the only 2 teams in the round to brave the weather!). It was tough in the rain however the team performed some great intercepts, showed skill to move the ball down the court and managed many shots at goal. They all fought hard and took out their first win of the season. What awesome grit team in appalling weather. It has been neat to see how far they have all developed in just 4 weeks! We look forward to the next 6 rounds of games.

Ōropi Kōkako

In an exhilarating display of skill and determination, the Ōropi Kōkako netball team emerged victorious in their game against Mount Maunganui Intermediate White, securing a commendable 11-6 win. The match, held on Saturday, showcased the exceptional talent and teamwork of both teams, with the Kōkako team ultimately proving to be the dominant force on the court. The team have a well-earned break for the next few weeks with the second round of the competition starting again in week 2.

START OF SCHOOL DAY

We understand that students are keen to arrive at school and this is encouraging; however, before school, teachers use this time to meet and prepare for learning. They are not actively supervising students in the playground. Please consider the time you are dropping your child/ren to school and this is not to be before the first school bus at 8.15am.

PTA

We have a very energised group of parents on our PTA. They have been passionate about providing for our teachers and students. There are many facilities and school equipment that have been provided through their dedicated efforts. If you are interested in being a part of this please make contact by emailing oropi.pta@gmail.com

PARKING

For the safety of everyone, please cross the road at the road crossing by the bus turning bay. Do not walk across the road on blind corner.

We encourage families to park at the Hall and walk up the path to school, especially while the road works are being completed. Please use common sense and refrain from parking across the driveways of our neighbours.

Please do not park in the staff carpark.

CLOSING GATES

To ensure the safety of all children on site, please ensure the gate you enter and exit is securely closed once you pass through.

ATTENDING SCHOOL

Oropi School is committed to ensuring that all of our students get the most out of their education, and wants to support our students to maintain regular attendance.

Students who attend school regularly learn more and achieve better results.

As parents, you have an important role in ensuring that your child attends school whenever it is open, unless there is a good reason for his/her absence. Acceptable reasons for absence include sickness or serious family circumstances, such as bereavement. Where there is a good reason for absence, please contact our school to let us know as soon as possible.

Your role in ensuring your child's regular attendance is so important that if you allow your child to miss school without a valid reason, you can be prosecuted under the Education Act 1989. While Oropi School does not want to prosecute any parent for their children's absence, we do take regular attendance seriously. We will be monitoring all unexplained absences and if students frequently miss school without an explanation being provided, we will be contacting parents to request a meeting and to work with you to encourage better attendance.

If the unexplained absences persist, we will send a formal warning letter, and may involve other agencies, such as the Truancy Service, to follow up on the reason for the absence.

Please work with us to support your child to attend school regularly.

Attendance is important and every day counts.

Keeping your contact details up to date

Remember to keep your contact information up to date with the office. We must be able to contact parents and caregivers if necessary, especially if your child is unwell. This includes your phone numbers, physical address, and email address.
