

Oropi School Bus Transportation Agreement

Oropi School provides school bus transport on behalf of the Ministry of Education. The Oropi School Bus Transportation Policy defines this service.

This formal agreement is between OROPI SCHOOL and the PARENT/CAREGIVER of the individual student transported.

The agreement sets out the service, responsibilities of each party and behavioural requirements of students.

This agreement will be renewed at the Board's discretion.

SERVICE ELIGIBILITY

Ministry of Education Eligible Transport

The Ministry of Education defines eligibility for school bus transport as:

Students must live a minimum of 3.2 km from the school.

Oropi School Discretionary Transport

Children who do not fit the Ministry of Education's eligibility criteria may be provided bus transport through this service, however special conditions apply:

- The service is provided at the discretion of the school management and not available as-of-right.
- All children meeting the Ministry's eligibility criteria have preference over those travelling at the school's discretion. Children who may be riding the bus at the school's discretion will be the first removed should the bus become over-crowded. It may be timely for parents to take the distance from their home to the school (one way) to determine whether your child is eligible.
- The school cannot guarantee the long-term availability of seats to non-eligible students.
- The transport of non-eligible children may incur a monetary charge.
- Fees are not discounted for part time use. The fees remain the same regardless of the number of days children use the bus.
- The Parent/Guardian promises to pay the per term fee. Use of service indicates that the Parent/Guardian accepts the terms of the Contract and thus the responsibility to pay the per term fee.
- The school bus is not to be used to taxi children to play dates or other people's homes. Children must use the bus they are assigned to and not swap buses for their own convenience. These rules are in place to ensure the health and safety of all children at our School.
- Parents / caregivers must stay with their children at the bus stop until the bus has arrived. Please do not leave your children unattended unless you have specifically arranged with other parents at the bus stop.
