ŌROPI SCHOOL NEWSLETTER 2023 TERM 3 WEEK 2

## Kia ora Whanau

We started the term welcoming our new whanau at a Mihi Whakatau. It is great to have you all now part of the Ōropi community and good for me to talk with you all over a 'cuppa' on the first day back.

Later that week we were fortunate to host Sarah Aiono, CEO of Longworth Education in our school. She talked with all staff and then had a parent session where we were able to

hear about the role of play based learning and how it connects and relates to brain development, addressing the key competencies in learning and covering the curriculum. Really interesting stuff with lots to think about how we cater for all children. My biggest takeaway is that every child has a strength and it is our job to foster an environment where they can discover their strength, that we nurture.

# Book Fair

The Bookfair will open from Tuesday the 1st of August – Friday the 4th of August. The Bookfair will be available for you to walk through and purchase books before and after school from 8.15 – 9am and 2.30 to 3.15.

This exciting celebration of reading will take place in the Multi-Purpose Room or the Library. We will have some great activities to support this event where children can win prizes, including a coloring competition, book reviews and a Book Character Dressup Day.

Tuesday 1 August – Book Fair Opens

Wednesday 2 Thursday 3 August – Book Fair open before and after school

Friday 4 August – Book Fair open before and after school and Dress Up Day

Classes will also have the chance to visit the book fair to preview books and write a wishlist.

Thanks for your support!

Week 2 has evolved into one with a higher level of sickness circulating as the week has gone on amongst children and staff. There seems to be quite a mix of illnesses and infections circulating. Please be mindful of this and get your child checked if in doubt prior to sending to school so we can slow the spread of winter illnesses. On the point of absence, if you are planning a family holiday during term time, it is essential that I receive an email from the parents directly explaining this please. This is for roll auditing purposes. As a school we encourage children and staff to take holidays during break times to ensure routines remain in place for children's learning. However, in saying this, we understand that many are travelling overseas again now that borders are fully open again after a long period of not being able to do this.

You will have seen a post on our facebook page earlier in the week about our historic drilling for a new bore to replace our 50 year old bore for a new water supply. It is also our school's 125 year anniversary in 2024. A committee is being formed and we will first meet in the middle of August to get some initial ideas together for planning this milestone next year.

# Garden to Table

Welcome back to Garden to Table for the senior classes. There are many different vegetables and fruits from when we last worked with these classes back in Term 1, with lots of root vegetables and winter greens this time of year.

Last week Te Kokako o Otanewainuku, Pukeko and Korimako Lewis cooked Pumpkin and Potato Gnocchi with a Winter Greens Pesto, Lettuce Salad with Honey Mustard Dressing and a delicious, sticky Coconut Slice with Lemon Syrup. Gnocchi is great fun to make from scratch; mixing the dough, forming the 'snakes' and slicing them into soft pillowy dumplings. While it is traditionally made with just mashed potato, we love the slight sweetness of pumpkin added. This week Kotare and Korimako Peddle are cooking a Mixed Veggie Traybake with Garlic and Herb Sauce, Herbed Flatbread and Pumpkin and Chocolate Mini Muffins. There were a few surprised faces at pumpkin going into a dessert but the sweetness and texture makes for delicious and moist cakes.

Korimako Lewis had a rainy day last week but the gardening crew got to do some seed shopping! There are hundreds of options of seeds to choose from but the garden crew researched which varieties would grow well in our climate and selected some awesome new types as well as some reliable favourites. Te Kokako did a great job getting the pumpkin patch ready for Spring; pulling the big weeds then laying cardboard, logs and mulch down to smother the weeds and feed the soil. Pukeko planted beetroot and broad beans, sowed spring onions, pruned back cherry tree shoots and composted office waste paper. Kotare planted coriander, red cabbage, snow peas and red lettuce. The enormous fennel plant has become old and unproductive so we pulled it out to start again; a herculean effort from Kotare Tappenden and 'Poppa Mike' who managed to lever the enormous fennel crown out of the soil and wrestle it into the orchard for the chickens to nibble the bugs off.

# TOUGH GUY AND GAL

*This year 82 students from Years 3-8 went to Tough Guy and Gal at Mercury Arena last Friday with Mrs Tappenden and Mr Cowman. We dressed in Fluro green and the students had a fantastic time running the course through the mud!*

*We had so much fun that we're looking forward to doing it all over again next year! A big thanks to all the parents who helped out and supported us!*

# Rok-O-Pā Hockey

This is a year 7-8 combined schools team with five Ōropi players in it – Elena, Elise, Carys, Logan and Ceara. They are playing really well as a team with their teammates from Taurkio and Pyes Pā schools, and are playing strategically and skilfully and coached by Nigel Burling. Their games are Friday night in rain or shine.

# Black Hawks Hockey

Our Year 6 players have been having an absolutely great season through rain and shine and started the season with no subs. One even played one game with 5 players and won convincingly. Team is Heath, Tobias, Leon, Jonathan, Theodore, Ashton S, Tyler, coached by Kelly Barclay and managed by Leonie Gordon, with Elise and Carys sharing the umpiring duties on game days.

# Water Polo

During the holidays Hayden travelled to Auckland with his Water Polo Club team to compete in the Under 12 tournament. He got to experience playing in the National Aquatic Centre which is an Olympic-sized pool.

Hayden's team won five of their eight games and came away with the bronze medal for their grade."

# Ōropi Kōkako Netball

The Ōropi Kōkako netball team took to the court once again against Mount Maunganui Intermediate White (MMIW), in a thrilling rematch on a picturesque sunny morning. As the tension mounted, both teams were eager to prove their mettle on the court, considering the history of their previous encounter where the Kōkako emerged victorious four weeks ago.

From the first whistle, it was evident that both teams were determined to dominate the game. The Kōkako, known for their skillful maneuvers and teamwork, attempted to replicate their previous success against MMIW. However, it was apparent that their opponents had been working hard in the intervening weeks and were out for redemption.

As the final quarter approached, the Kōkako continued to fight fiercely, determined to narrow the gap that Mount Maunganui had gained. However, MMIW's lead proved insurmountable, and they held onto their advantage until the final whistle. Despite the challenging defeat, the Kōkako demonstrated unwavering sportsmanship and congratulated their opponents on their well-deserved victory. The match served as a valuable learning experience, motivating the team to work harder and refine their strategies for future games.

The final score was 18-5 in favor of MMIW, a stark contrast to the outcome of their previous encounter. However, the Ōropi Kōkako remains a formidable force in the netball arena, and this setback will undoubtedly inspire them to come back stronger in their future matches.

# Junior Netball

## Celebrating the Hotshots & The Cats

We are thrilled to share the incredible success story of our school's newest Netball teams, The Hotshots and The Cats! With unwavering determination and hard work, they have already achieved remarkable milestones in their debut year of Netball.

These young athletes have left us astounded with their impressive performances and the immense progress they have made. Their commitment to honing their skills and working together as a team has been truly inspiring.

One particular instance that made us immensely proud was witnessing their resilience during a challenging match played entirely in the pouring rain. Despite the adverse weather conditions, The Hotshots and The Cats demonstrated true sportsmanship and dedication by giving their all on the court.

As they continue to train and compete, we have no doubt that The Hotshots and The Cats will achieve even greater heights in the world of Netball. We applaud their coaches, parents, and supporters for nurturing and encouraging their talents.

Go Hotshots! Go Cats!

# Ballet & Tap

Every year Nora goes down to Christchurch with her dance school Turning Pointe Tauranga for a week long winter intensive where they practice their exam work and participate in open dance classes with a big performance at the end of the week. This year Nora was the winner of the Junior Solo section and got to perform her barefoot dance at the gala where she was also honoured to receive the excellence award for her Ballet and Tap grade.

# Fruitastic Kiwi

We have been having lots of fun in Kiwi squeezing our own juice made from oranges, lemons and lemonades. The children have been bringing in fruit from their own fruit trees. Mrs Young brought along some of her hand juicers for us to use.

We tasted lots of fruits and talked about which ones we liked and how they tasted. Some were sweet and others sour. What a great way to help us stay healthy this winter in kiwi!

## **ATTENDING SCHOOL**

Oropi School is committed to ensuring that all of our students get the most out of their education, and wants to support our students to maintain regular attendance.

Students who attend school regularly learn more and achieve better results.

As parents, you have an important role in ensuring that your child attends school whenever it is open, unless there is a good reason for his/her absence. Acceptable reasons for absence include sickness or serious family circumstances, such as bereavement. Where there is a good reason for absence, please contact our school to let us know as soon as possible.

Your role in ensuring your child's regular attendance is so important that if you allow your child to miss school without a valid reason, you can be prosecuted under the Education Act 1989. While Oropi School does not want to prosecute any parent for their children's absence, we do take regular attendance seriously. We will be monitoring all unexplained absences and if students frequently miss school without an explanation being provided, we will be contacting parents to request a meeting and to work with you to encourage better attendance.

If the unexplained absences persist, we will send a formal warning letter, and may involve other agencies, such as the Truancy Service, to follow up on the reason for the absence.

Please work with us to support your child to attend school regularly.

Attendance is important and every day counts.

## **Keeping your contact details up to date**

Remember to keep your contact information up to date with the office. We must be able to contact parents and caregivers if necessary, especially if your child is unwell. This includes your phone numbers, physical address, and email address.
